

MY DEAR PROPHET

**We are lucky you were born
My Dear Prophet
You are a good sample to Muslims
You gave light to humanity
If you didn't bring Islam,
We wouldn't find the right way.
We loved you without seeing you.
I hope we can meet in the Heaven.**

Our Prophet Muhammad (*pbuh*)

I had chance to visit my prophet and,

Learned so many things about Him.

On the mosque of prophet, you can see Green Dome.

Very exciting, prayin on the green carpets.

Every prayer is accepted by ALLAH.

Madinah, oh Madinah

You are how a lucky city.

Prophet Muhammed is in yours

Reaching Medinah, hearts get excited

Only muslims can understand these feelings

Poor or rich doesn't matter

He loves all his Ummah

Entering to Mosque of Prophet

Tears in the eyes, happiness in the hearts.

Prophet, my dear prophet was

Born in Mecca in 571

Until he died, He lived in Medinah between 622-632

He is buried in Medinah in the Mosque of Prophet.

HZ. MUHAMMED

My name is Ebubekir Hasanoğulları. There are two reasons why I am lucky. First, I am very lucky because my name is your best friend's name. I am your best fan. Because how can I say you, you knew they didn't believe you but you didn't give up telling the truth. You gave up your good life but you didn't give up telling Islam and so you also told us Islam. I wonder how they didn't believe you. Second, I am very lucky because I am a muslim's son. I can do my prayers. In past they were hiding to do their prayers. I think it was very hard because you and your friends suffered so much. There is one good thing about the past. They could see you. The bad people threw stones and hit you. İnşallah they will suffer too. If only I could do time travel. If I could, I would come to your time and I kiss your hand and I would beat the bad boys.

MY DEAR PROPHET MUHAMMED,

I learned that you are very merciful. A child always came to the mosque but one day he didn't come. You wondered and asked other people. They said that his bird died and he was very sorry. You went to his house to console him.

You did a lot of good things for muslims. You are my idol. I want to be like you.

You are the best person in the world.

My Prophet's name is Hz. Muhammed (S.A.V). Hz Muhammed was born in 571. Everyone likes him very much. His mom's name was Amine and his dad's name is Abdullah. Hz. Muhammed's grandfather's name was Abdulmuttalip. Hz. Muhammed was a very very good person. His uncles' names were Ebu Talib, Ebu Leheb, Ebu Sufyan and Hamza. Ebu Talib and Hamza were good but Ebu Sufyan and Ebu Leheb were bad. There were miracles at the night he was born. Hz. Muhammed loved his mother so much and one day they went to Medina to visit his father's grave. On the way back, his mother passed away. For many years, his milk mother took care of him. Lastly, he became our Prophet when he was 40 years old.

MY DEAR PROPHET MUHAMMED,

He is a big example for us,

Zero lies he told.

Mekkah was his home,

Usually he did prayers and fasted,

He never broke someones heart,

As usual he loved children.

Muslims mustn't leave his way.

Many people wanted to help him,

Every muslim loves him,

Dear prophet, I love you, too.

MY PROPHET

Hz. Muhammed is ,

The prophet of Islam.

He is not just my prophet,

He is all people's prophet.

Our prophet is,

The last prophet in the world.

I love my prophet because,

He was respectful to everyone in the world.

His face was bright,

His teeth were shining,

His eyes were bright,

His mouth was said bright words.

We send blessings on him by saying

"ALLAHÜMME SALLİ ALA SEYYİDİNA MUHAMMED"

Because he is the most important person in the world and hereafter.

He is Hz.Muhammed,

We must do our duties that he advised us,

We must be kind.

We must save his popularity,

We mustn't say:

"Other people can do it, it's ok when I don't do that."

We must be like him, decisive and active.

It's our duty.

Because he did his duty,

He invoked his ummah,

He taught Islam to us.

MY DEAR PROPHET,

I don't know how to start writing to you. First I want to say you, you are the strongest and most patient person ever for me because you tried to teach Islam to all of the people in Mecca.

There were so many people who loved you like Hz. Ebubekir, Hz. Ali, Hz. Hatice but there were also people who hated you like Ebu Cehil, Ebu Leheb and there were people who hated you first but loved you later like Hz. Ömer.

Bad people cursed to you and broke your dear heart and they even tried to kill you but you didn't say a bad word to them. Times came, you had to fight against them but even then you were merciful. That's why you are patient and strong.

I am glad that I'm a muslim. I wish, I could visit you and hug you and say how much I love you but I can just write a letter to you. I hope you are reading this letter from the heaven and I hope I can come to heaven and see you. I would give everything I have, to see you for a second (:

MY DEAR PROPHET MUHAMMED,

First of all I want to live in the time you were living. But you said:” They believe me but they didn’t see me. They are my siblings.”

When you were 6 years old, you lost your mom. You already lost dad before you were born. When the children said “Mom”, you got sad.

When you were eight years old, you also lost your grandpa. But you were not alone. You had an uncle; Ebu Talib.

When you were twenty- five years old, they said to you “El Emin” They trusted you, because you were clean, kind, patient, cheerful and reliable. You always helped all people.

When Ebu Talib died, they told you:”Who will save you from us. You are alone.”

You said: “Allah can save me.”

When you were forty years old, all the people in Mekkah learned that you were our last prophet. They did so many bad things to you, but you didn’t do anything bad to them.

When you were fifty one years old, you took nothing but yourself and emigrated to Medinah.

I’m happy because I was born in a muslim family.

MY DEAR PROPHET MUHAMMED,

I love you. I never saw you. But I want to see you so much. Nowadays people don't speak well to their friends and parents. I want to be like you. I want to be kind, like you. I want to speak softly, like you. I want to do my prayers, like you.

Now, we haven't got a guide on the road of Islam. We want a guide, like you to show us the way to heaven.

When I say that I want to be like you, people laugh and make a joke. But I want to be a kind, lovely and good person. Most people are rude.

If only you could come here and fix all bad things.

Now, you are sitting on a corner of heaven. Maybe 80 years later, I will come to you.
